Revolutionizing Education

Venkateshwar Signature School has been listed second among Chhattisgarh's and Raipur's Co-ed Day Schools for its noteworthy 'Innovative Teaching Practices' and revolutionising 'Learning Model' by Education World. At VSS we know that education should not only be sustainable and wide-ranging but also must constantly update to meet challenges of the ever changing globalised world. Keeping the skills required in 21 st century in mind, VSS is a Microsoft Showcase School 2021 and a FIT India School. VSS is also in collaboration with Tata Class Edge, White Hat Junior and National Geographic Learning. Such innovative best educational practices augment the teaching learning process and thereby ensure actual learning ensues.

National Achievers Award for Education Excellence

Mrs. Sowmya Raghubir, Principal, Venkateshwar Signature School, Raipur, a trailblazer in education is conferred with the prestigious 'National Achievers Award for Education Excellence, 2021' by the National Achievers Recognition Forum (NARF), on Thursday 2nd December at New Delhi. The award aimed to felicitate the illustrious minds who go above and beyond the facets of education to keep up with the ever-changing landscape of education. Mrs. Sowmya Raghubir, a pioneer and authority in the field of education has impacted thousands of lives. A meticulous teacher, a perspicacious social activist with elegance, excellent technique; natural sophistication in etiquettes describes her in a nutshell.

LIVE LIFE LIKE A CHILD

(Celebrating Children's day)

The sparkling glee on every face of our students reminds us that every child is unique. VSS celebrated the most remarkable day for children with ardour and fervour.

THE ARTFUL SPELLERZ

Spellathon, a game of verbal combat held at VSS to give students a platform to learn spellings in different ways, enrich their vocabulary, learn concepts and develop the use of correct English.

PASSIONATE Chefs

A fireless cooking activity organised for the students to help them explore their hidden talents and discover their areas of interest. It gave the students a platform to demonstrate their culinary knowledge and skill to follow a recipe. Students enjoyed the event by enthusiastically participating in this fun learning package.

Sauveurs de l'environemente

If you start young, the children will develop an incredible love for nature which will keep revealing itself as they grow older. Adhering to this contemplation VSS celebrated Green day and the students and the teachers planted saplings because we know the little warriors today will be the saviours of the environment tomorrow.

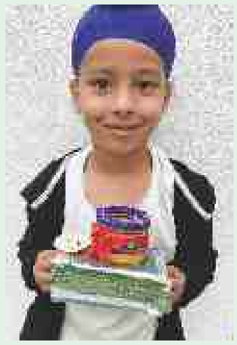
CHAMPIONS EN PROCESO

The Annual Sports Meet 2021-22 was held with great zeal, excitement and frolicsome atmosphere. Emphasizing on the importance of sports in a child's life the Chairman, Capt. Ankur Dhillon and the Principal, Mrs. Sowmya Raghubir also took the salute of the impressive March Past of the students. The students entered into the spirit of the occasion in a grand way with the oath being administered by the head girl Poorva Sharma. Once the races began, the air was filled with cheering and tons of encouragement for the young athletes. The students competed in the events including sprints, sack race, hopping race, ready to school race etc.

TELLURIC RECYCLERS

'We do not inherit the earth from our parents, we borrow it from our children' – Chief Seattle

Imaginative minds and little hands ignited the artistic potential in a creative burst of energy during the 'Best out of waste' competition held at VSS to ingrain recycling in our students as a necessary step to preserve our planet.



A December • to Remember

Soaking in the spirit of sharing and caring VSS celebrated Christmas reflecting love and selflessness. The students and teachers dressed in red and white sang carols and the spirit of sharing was inculcated by Santa's distributing sweets among students. The nativity play was enacted to spread a message of love, hope and positivity. The boundless joy of celebrating the festival was visible on the faces of all the students.

SUCCINCT SCIENCE

Think like a proton- Always positive.

Science education activities provide children with opportunities to develop and practice many different skills and attributes including communication skills, collaborative skills, team working and perseverance as well as analytical, reasoning and problem solving skills. Students engaged in various Science activities.

BEST ADVICE

“If you judge people all the time, you have no time to love them.” This wonderful statement said by my mother has fascinated me many times. But it was very difficult for me to understand it earlier. One day, I was sitting on the sofa beside my mother and I was complaining about some of my classmates, about how they were always into some kind of mischief. But my mother gave no response and just kept on hearing me. At the end of the discussion, she said to me, “Adi, why do you keep on criticizing people all the time? Why do you even bother what others are doing, when you yourself are not perfect in everything? You must learn to adjust and not complain about each and everything.

She again said, “If you want to succeed in your life, then you have to ignore some things in your life.” This is only the start as more and more people will come and go. What you need to do is just let them pass and stop judging people. My father had been there all the time listening to our discussion and then he came and sat beside me and said to me, “Mother is right. You must not take this conversation in a negative way, but in a positive way. A positive mind always invites hard work and success and a disturbed mind, can never do that. You must learn to love people and not judge them. Doing this will certainly make you a better person!”

I heard them and felt very positive and encouraged. I gave a hug to my mother and went to my room. Today, I always think about that day before judging anyone and try to be perfect, before making any complain or judgment on that work. I extend all my thanks to my mother and father and every person who thought good for me.

EBULLIENT DIWALI

Diwali- the festival of lights illuminates the hearts with its exuberance and dazzles people with its joy. Students putting their best foot forward with innovation and creation in making Rangoli, which is believed to be the harbinger of luck and decorating Diyas on the occasion of Diwali.

Blooming Buds

Holistic brain development establishes a child's social competence, cognitive skills, emotional welfare, linguistic abilities, literary adroitness and physical capabilities.There are innumerable factors that influence a child's overall healthy brain development.

To bring about the holistic development of each child VSS gives ample opportunities to students for creative expression through a wide range of experiences.

Republic Day

Celebration

VSS celebrated the 73rd Republic Day with immense patriotic fervour and zeal through online platform. A plethora of activities were organised to infuse the spirit of unity, brotherhood and patriotism among the students.

अन्विति

छात्रों की कलम से

जीत पक्की है

कुछ करना है तो डटकर चल ,
थोड़ा दुनिया से हटकर चल
लीक पर तो चल लेते हैं
कभी इतिहास को पलट कर चल
बिना काम के मुक़ाम कैसा?
बिना मेहनत के दाम कैसा?
जब तक न हासिल हो मंज़िल
तो राह में राही आराम कैसा?
अर्जुन - सा निशाना रख
मन में न कोई बहाना रख
लक्ष्य सामने है
बस उसी पर अपना ठिकाना रख
सोच मत, साकार कर
अपने कर्मों से प्यार कर
मिलेगा तेरी मेहनत का फल
किसी और का न इंतज़ार कर
जो चले थे अकेले
उनके पीछे आज मेले हैं
जो करते रहे इंतज़ार
उनकी ज़िंदगी में आज भी झमेले हैं

समय का खेल

मानव ने सोचा नहीं था
आएँगे ऐसे पल
किंतु समय ने किया
उससे ऐसा छल
बिना काम के दाम मिलेंगे
ऐसे भी आराम मिलेंगे
घर में हो जाएँगे क़ैद
खोलेंगे एक-दूजे के भेद
सबकी धरी रही तैयारी
समय ने ऐसी खेली पारी
अपने भी हो गए पराए
किसको अपना हाल बताएँ
ऑक्सीमीटर और थर्मामीटर ने
दिया हमारा साथ
वक्त ने दिखला दी
मानव को उसकी औक़ात

साथी हाथ बढ़ाना

हमारे स्वभाव में दूसरों की मदद करने की भावना का होना बहुत ज़रूरी है। हमें सबकी मदद करनी चाहिए हमारी छोटी सी मदद से दूसरों का बहुत लाभ हो सकता है तथा ज़रूरत पड़ने पर हमें भी मदद मिलना आसान होता है। मदद करने की शुरुआत हमारे घर से ही होती है जैसे- हम देखते हैं कि हमारी माँ हमारे लिए तथा परिवार के अन्य सदस्यों के लिए दिन भर काम करती हैं यदि हम अपना कुछ समय निकाल कर माँ की मदद कर दें तो उन्हें थोड़ा आराम मिलेगा तथा वो कुछ अच्छा महसूस करेंगी। मान लीजिए आप कहीं जा रहे हैं और आपको रास्ते में कोई आदमी गिरा हुआ मिलता है जिसे काफ़ी चोट भी लगी हुई है उस समय यदि आप उसकी मदद कर दें और उसे अस्पताल ले जाएँ तो उसकी जान बच सकती है तथा आगे जाकर हो सकता है कि इस बात का ध्यान रख कर वो भी आपकी तरह दूसरों की मदद करे। कई बार आपने देखा होगा कि हमारे घर के कुछ कार्यक्रमों में बहुत सा भोजन बच जाता है तथा किसी के ध्यान न देने के कारण वो सारा भोजन फेंक दिया जाता है, वहीं यदि हम थोड़ा ध्यान देकर वो भोजन उन लोगों तक पहुँचा दें जो भोजन न मिल पाने के कारण भूखे ही सो जाते हैं तो उनका पेट भर जाएगा तथा वह भोजन भी सही स्थान पर पहुँच जाएगा। अत: हमें सभी मदद करनी चाहिए।

मित्र जीवन का अनमोल हिस्सा

हम जीवन में कुछ ऐसे लोगों से मिलते हैं, जिन पर बहुत भरोसा करते हैं। उन्हें अपने से जुड़ी सभी बातों के बारे में बताते हैं। कई बार तो ऐसा होता है कि वो लोग हमारे बारे में हमारे माता-पिता से भी अधिक जानते हैं। अब तक आप समझ गए होंगे कि इन लोगों को हम मित्र कहते हैं। लेकिन क्या मित्रता किसी भी व्यक्ति के साथ सम्भव है? निश्चित ही आपका जवाब 'नहीं' होगा क्योंकि यदि मित्रता सभी के साथ संभव होती तो मित्रों की श्रेणी में कुछ गिने-चुने लोगों के स्थान पर अच्छी-ख़ासी भीड़ होती और वो सभी हमारे सच्चे मित्र होते। एक सच्चे मित्र में कुछ बातों का होना बहुत आवश्यक होता है जैसे- वह आपके अच्छे-बुरे दोनों ही समय में आपके साथ रहे, यदि आप कुछ ग़लत काम कर रहे हैं तो वह आपको रोके तथा आपको सही मार्ग पर ले जाने का पूरा प्रयास करे, ऐसा न हो कि वह आपको भी अपने साथ गलत रास्ते पर ले जाए, वह आपके दु:ख को अपना दु:ख समझे। ये सभी गुण भगवान श्री कृष्ण तथा सुदामा की मित्रता में देखने को मिलते हैं। जब भी सच्ची मित्रता की बात होती है उनकी मित्रता का स्मरण हो ही आता है। हमें भी सच्ची मित्रता के लिए पूरा प्रयास करना चाहिए। क्योंकि-

मित्र जीवन का अनमोल हिस्सा हैं
जिनसे जुड़ा हमारा हर किस्सा हैं।।
