The Invigorating Force

Dr Dharamvir Dhillon
Founder of the School
CMD, Shivam Mining Group
President , Masters Athletics Federation Of India (MAFI)

“I envisage Institutions rich in tradition and Indian culture producing students, who through their education, will serve as productive members of the society.”

The Venkateshwar Signature School, Raipur, Chhattisgarh is the brain child of Dr Dharamvir Dhillon, established after the resounding success of the pioneer academic ventures of the Venkateshwar Group of Schools and Hospital in Delhi, of which, he is a senior member since 2007.

Dr Dharamvir Dhillon is a gold medalist from Haryana Agriculture University, Hisar (1973-1977) B.V.Sc and A.H.Hons . Having cleared his Haryana Public Service Commission, 1978, as the topper, he started his career as Veterinary Officer, Haryana Govt.

Dr Dharamvir Dhillon is the Founder and present Chairman of Shivam Mining Group. He also holds the prestigious position of being the President of Masters Athletic Federation of India (MAFI) since 2013.

Dr Dharamvir Dhillon works with the mission to nurture self reliance amongst children, so that they may enjoy a happy and secure future.

*Welcoming threshold
for young minds...*

“We aim at helping our students develop the yearning to learn, an insatiable thirst for knowledge, a desire to reach the heights of success and create their own signature.”

The Zestful, Enterprising Leadership

Shweta Dhillon, Chairperson

The VSS is devoted to character building and all-round personality development of its students, covering areas of intellectual stimulation, physical robustness, social adaptability, emotional independence, fluency and depth in communication, confidence building and leadership qualities.

It aims to build and nurture a community of thinking, compassionate world citizens, committed to living with responsibility, learning with enthusiasm, balancing strong work ethos with a sense of play.”

The Curriculum

Our enriching curriculum , is effectively delivered through a pedagogy that seeks to make learning more interesting, stimulating and meaningful.

The pursuit of excellence encouraged at the V.S.S. rests on the positive belief that every individual is unique and his qualities must be nurtured to the optimum.

We aim at providing rich teaching learning experiences that are

- scientifically designed to promote a spirit of enquiry and help the student to become a meaningful part of his environment.
- child centered and global in approach
- innovative and activity based, allowing the strengthening of the basic concepts
- helpful in maximizing the potential, building team spirit and instilling confidence
- designed to stimulate the intellectual abilities through investigation, experimentation and deduction.

The Focus

Revamping the patterns of traditional pedagogy is the focus to help move away from "cramming kids" to "thinking kids" who will learn to make sense of what they learn. The school curriculum is essentially based on inquiry based learning with the help of tools like -

- | | |
|------------------|---------------------|
| • Multimedia | Creative Games |
| • Lab activities | Role Play |
| • Dramatization | Educational Visits |
| • Exploration | Audio Visual Aids |
| • Field trips | Projects |
| • | Group Presentations |

Affiliation with foreign Boards vis-à-vis IB and Cambridge will be introduced in due course of time.

The IT Edge

The school's "Smart Class" programme is designed to empower teachers with technology right inside the classrooms, turning them into lively and vibrant learning platforms for students. Classrooms fully equipped with White Boards along with Multimedia Wide Panel LED Screens, Computers, Bluetooth Mouse to expose students to virtual experiences through videos, animations, live images and captivating graphics related to curriculum based topics.

The school is effectively utilising the benefits of technology to strengthen the curriculum and to prepare its students to succeed in today's rapidly changing 'Information Age'.

Beyond Academics

All students are encouraged to participate in various activities offered by the school with the objective to develop creativity, organisational abilities, self confidence and creative and aesthetic development.

Creative & Aesthetic Development

The Venkateshwar Group of Schools has always been known for its vibrant cultural activities which not only fulfill the aesthetic and creative urge of the students, but also promotes a positive self confidence and a sense of achievement through participation and stage exposure.

Through varied activities like celebration of festivals, special assemblies, celebration of grand parents' day etc., the school aims at not only identifying and polishing talent, but also, familiarizing the students with the rich cultural legacy that must always be cherished. Music, art, craft, dance and theatre are just some of the activities that are undertaken at the school.

**"Nothing is as contagious as enthusiasm;
it moves stones, it charms brutes.
Enthusiasm is the genius of sincerity and
truth accomplishes no victories without it."
Bulwer Lytton**

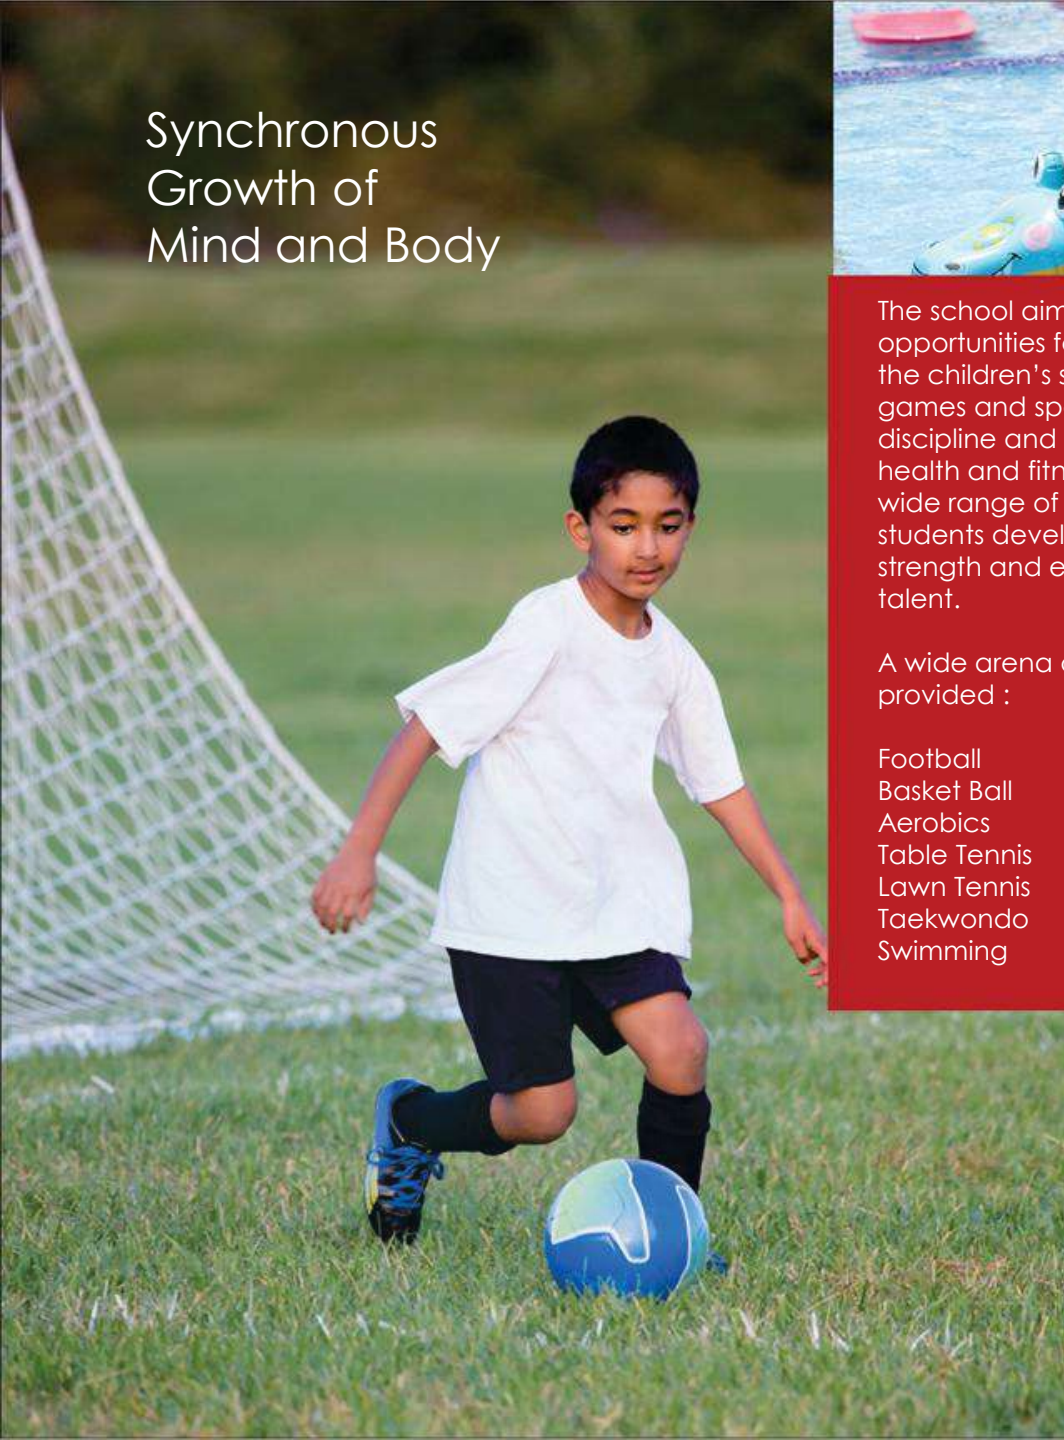

Synchronous Growth of Mind and Body

The school aims at providing ample opportunities for overt expression of the children's sporting aptitudes in games and sports besides inculcating discipline and initiating them towards health and fitness. The school has a wide range of sports activities to help students develop stamina, physical strength and enhance their sporting talent.

Medical Facilities

A well trained staff nurse takes care of the medical requirements and provides first aid to children when in need.

Parents- Partners in School Education

Schooling of the young children under our care is of paramount importance to both, the school and parents alike.

Parents are the bridge between the young learners and the school which facilitates the wholesome development of the young learners. It is because of this important fact, that parents are rightfully considered as partners with school in their child's education. Since teaching is a two way process between school and home, active involvement of parents in school programmes is sought.

Regular Parent Teacher Interactions are organised to help us understand your child better and find ways to realise his potential to the maximum.

Empowered Teachers.... Learners Forever

In tandem with the above maxim, the teachers are updated with the latest innovative trends in teaching, according to international standards and are empowered to deal with challenging situations to bring creativity in classrooms.

Seminars and workshops are held regularly to provide in-service training to teachers for subject enrichment and computer proficiency.

“The task of the excellent teacher is to stimulate apparently ordinary” people to unusual effort. The tough problem is not in identifying winners : it is in making winners out of ordinary people.”

K.Patricia Cross
